BROUGHT TO YOU BY

SUPPORTED BY MINISTRY OF  
EDUCATION MALAYSIA (KPM)

# CEO'S MESSAGE

A warm welcome to all of our lovely VIPs, students, corporate partners, teachers and parents.

Our New Age Learner Conference: Building The Future with Generation Z International Conference, with its vast audience of 50,000 students from across the globe, is indeed a milestone achievement in Ascendance's #OneMillionTeens Initiative that was launched in January 2021.

Ascendance's vision is to impact one million teenagers over the next 5 years to be confident, driven and creative individuals with the ability to think, set and achieve their goals in every area of their lives, from their happiness, health, education and passion. Ascendance aims to do this via these local and international conferences as well as through the year long continuous exposure and guidance on our 'The Teenage Entrepreneur' Platform. By instilling an entrepreneurial mindset and international exposure among these students, we take the youth of today one step closer to becoming true leaders of their community - creating a generation to be reckoned with! We are waking up the Gen Zs to best unleash the true power of their minds for a brighter future.

The New Age Learner Conferences have enabled us to reach out to students not just in Malaysia but throughout the world. Through this conference, many of our students are able to network, exchange experiences, and learn from one another to grow and evolve themselves and their ventures collectively, locally and globally. We are engaging students, speakers and conference delegates from Malaysia, Tanzania, Canada, UK, Italy India, Bangladesh, USA and more.

I would like to personally thank the Malaysian Ministry of Education, our Corporate Partners, Schools & Teachers, our Speakers, Mentors from ET Ideas, Ascendance's Apprentices and my amazing core team for bringing this event together for the benefit of students worldwide. You are indeed a testimony that when the world comes together, even the sky is not the limit!

Yours sincerely,

A handwritten signature in cursive script that reads "Harsha".

Acting CEO of Ascendance

# WHAT IS ASCENDANCE?

**Ascendance** is a Malaysian social enterprise founded by 4 youngsters in 2015. Ascendance empowers today's youth by enabling them to figure out their passion and achieve holistic success while still attending school. Today, the team is managed by Gen Zs aged 10 to 20 years old.

Our vision is to provide the resources, guidance and platform for the youth to discover themselves, create sustainable careers and achieve holistic success (in their Happiness, Health, Education, and Passion) while contributing to the sustainable development of society.

In this journey of developing youngsters to achieve success in their goals, we are very honoured to have received The Diana Award 2019, a prestigious international award given out to young changemakers worldwide to recognize their humanitarian work and social efforts.
